

Buyer Guidelines

Automotive Expo & B2B Meetings

About the event

Automotive Expo & B2B Meetings is the leading B2B Automotive Trade Fair in Romania, organized with the purpose of development and improvement of business relations, dedicated to **automotive professionals, buyers and suppliers**.

During **Automotive Expo & B2B Meetings** we facilitate the exhibition of products, the presentation of new technological innovation, the access to information, the cooperation and the development of new partnerships.

Why is it useful to attend?

Automotive Expo & B2B Meetings is the most effective event for suppliers and buyers from Automotive Industry, organized in Romania and all the major automotive companies are invited. Due to the careful selection of participants, the online tools available for the event, the preparation, the invitation of participants and the planning of meetings before the event, every participant has the possibility to optimize his program in order to maximize the productivity of meetings and his participation in the event.

Who are the participants to the event?

Suppliers (exhibitors), buyers and other technical people from OEM, Tier 1, Tier 2 and other sub-suppliers from the Automotive Industry.

The list of participants is available at <http://automotiveexpo.industrialin.com/participants>

Definition of the “Supplier (Exhibitor)” and the “Buyer” in the event acceptance.

The “Supplier (Exhibitor)” is a company representing person who wants to promote and sell (or to sell & buy) products or services for his company related to the Automotive Industry.

The “Buyer” is a purchasing professional, technical people or other representing person, who is searching to buy products or services for his company, related to the Automotive Industry.

When and where will the event take place?

The date of the event is specified on the event website <http://automotiveexpo.industrialin.com/>

The address of the event location is specified on the event website at

<http://automotiveexpo.industrialin.com/location>

How to register?

We recommend you the online registration at the following address:

<http://automotiveexpo.industrialin.com/registration>

If you are a new user of Industrialin platforms (Industrialin, Industry Expo, Automotive Expo).

Please select the **Registration** button and follow the steps described at the online registration.

If you are already a member of Industrialin platforms (Industrialin, Industry Expo, Automotive Expo).

Please select **Login**, enter your email and password and after logging into your account, please select the **Registration** button and follow the steps described at the online registration.

You can also register by filling the PDF registration form that can be downloaded at the address:

<http://automotiveexpo.industrialin.com/registration>

The closing date for registrations is specified in the registration section on the website.

Why is it important to register as soon as possible?

Your early registration gives you the possibility to better optimize your participation, your meetings and your program at the event. You can also ensure that the other participants are available to meet you.

What services do we offer during the fair?

All services are free of charge for buyers, as previously defined.

1.1. Exhibition Stand Visiting

We can offer you the possibility to visit the suppliers (exhibitors) at their stand.

2. B2B Meetings (Invite to Event and Meetings Planner Online Modules)

Because your time is very precious, we offer the possibility to optimize your time, the number of meetings and the efficiency of meetings by using our online tools (Meetings Planner, Invite to Event, Your Program) and sending/receiving invitations for meetings to/from suppliers (exhibitors) that you would like to meet at the event.

3. Lunch break and Coffee break

In order to improve the productivity and to increase the number of meetings for each participant, the lunch break and the coffee breaks are provided to all participants at an appointed hour.

4. Other services (exhibition materials, handling & storage, hostess, presentations, etc)

At your request, we can provide you additional services, in order to help you better promote your products or services. It is very important to specify these requests upon your registration.

Which are the costs for participation?

For Buyers

The participation is free of charge for all participating buyers, as previously defined.

For Suppliers (Exhibitors)

The cost of each service is defined in the online registration (please select: I am a Supplier (Exhibitor)) or PDF registration (please select Supplier Registration Form) at the following address:

<http://automotiveexpo.industrialin.com/registration> (Offline Registration)

In order to improve the optimization of the available time for meetings and the efficiency of meetings, the participation includes the lunch break and the coffee breaks for all participating buyers and suppliers.

Do I need a ticket for access to the event?

The participation to the event is conditioned by prior registration. All registered participants will receive a badge upon arrival.

How to use the Invite to Event Module?

The Invite to Event module is available for all online accounts.
By using this module, you can send online invitations for participation in the event to a list of email addresses defined by yourself.
